# GENERAL INFORMED CONSENT

I authorize Dr. __________ and/or designated staff to perform such diagnostic aids deemed appropriate to make a proper and thorough diagnosis of my dental needs. Upon such diagnosis I authorize the dentist and/or designated staff to perform all recommended treatments, procedures, and medication administrations as prescribed by the dentist and agreed upon by me, or my legal guardian. I understand that during treatment it may be necessary to change or add procedures to my treatment plan because of conditions found while treating the teeth that were not discovered during examination. I give my permission to the dentist to make all changes and additions to my treatment plan, as necessary.

Medical History: I have disclosed all of my medical history including, but not limited to, any and all drugs and medications that I am currently taking and have taken within the last 72 hours. I have also disclosed all medications, foods, and other substances to which I am allergic.

Radiographs: I understand that the dentist and/or his staff may need to take and evaluate radiographs (x-rays) to aid with proper diagnosis.

Local Anesthesia: I understand that local anesthesia is often used during dental treatment. I further understand that the risks of local anesthesia include, but are not limited to dizziness, nausea, vomiting, increases or decreases in heart rate, allergic reactions that may require medical management or hospitalization, restricted mouth opening, accidental self-injury from biting numb cheeks, lips, or tongue, and/or temporary or permanent numbness, pain, or changed feelings in the teeth, gums, lip, chin and/or tongue (including possible loss of taste).

No Guarantee: I understand that dentistry is not an exact science and that, therefore, dentists cannot fully guarantee results. I acknowledge that no guarantee or assurance has been made by anyone regarding the dental treatment which I have requested and authorized.

Insurance: I assign all dental insurance benefits to which I am entitled to the extent permitted under my insurance policy to Cen-Tex Dental, and authorize Cen-Tex Dental to submit claim forms and receive payments directly with the notation “signature on file”. I authorize release of my treatment records, x-rays, and other matters in my file deemed pertinent to my insurance as requested. I agree to be responsible for payment of all services rendered by Cen-Tex Dental on my behalf or to my dependents. I agree that I am responsible for all unpaid claims.

**By signing below, I hereby certify that I have read and understand the above statements and those statements are true and correct. My signature below also indicates that I am freely giving my informed consent to authorize Dr. __________ and any authorized staff to perform dental treatment.**

# FINANCIAL AND APPOINTMENT POLICY

Insurance coverage and participation can not be guaranteed until insurance is verified. We are happy to discuss coverage prior to your visit and check your benefits.  All other open plan dental insurances are accepted on an out-of-network basis. If you choose to schedule with an out-of-network provider, you are responsible for all fees not covered by your insurance plan. If we have received all of your insurance information on the day of the appointment, we will be happy to file your claim for you. You must be familiar with your insurance benefits, as we will collect from you the estimated amount insurance is not expected to pay. Your insurance processes the claim and sends you notice of the result (estimation of benefits, or "EOB"). Insurance will typically process claims within 30 days. You will be responsible for any deductibles, co-payments, or balances not covered by insurance.
You are responsible for any balance on your account after 45 days, whether insurance has paid or not. We will be glad to send a refund to you if your insurance pays us. Although rare, some insurance carriers will not reimburse our office directly. In such instances, you will be responsible for the full cost of each visit at the time services are provided, and your insurance company will send you the reimbursement check directly.
**Insurance is a contract between you, your employer and the insurance company. We are not a party to that contract. Depending on your individual plan, all services may not be covered.**
Please understand that we file dental claims as a courtesy to our patients. Claims are filed promptly to expedite communication with your insurance company. It is important for you to keep us informed of any insurance changes such as policy name, group and id number, or a change of employment. We are not, however, responsible for how your insurance company processes the claims or for what benefits are ultimately paid on a claim.

An appointment in our office is reserved specifically for you and the doctor or hygienist.

• If you are unable to make your reserved time, we ask you to call our office during business hours at least 2 business days (48 hours) in advance.

• A "no-show" appointment is simply one where the patient does not call our office or leave a message in accordance with the above guideline.

• On the first no-show appointment, our cancellation fee will be waived.

• On the second no-show appointment, you will be charged a no-show fee of $75 for every 30 minutes.

• Any further no-shows may result in dismissal from our practice.

We understand life can be busy and unpredictable. If you are running late for an appointment, all we ask is that you call us to keep us informed. This will allow our schedule to flow as smoothly as possible. We will do all we can to adjust our schedule to get you in for your appointment. Our front desk staff will try to accommodate you as best as possible.

**By signing below, I hereby certify that I have read and understand the above statements.**
